

How to find our office

Our street address says Shawnee Mission Parkway, but our parking garage is accessible via 51st Street from State Line Road. Open parking is available on both levels of the garage so feel free to park in any available space. Our office is located in The Barney Building and upon entering you'll want to head downstairs to the first floor. Hang a right out of the elevator and head through the first door you see and say, 'Hello Perspective!'
